Northwest Baptist Church is a **Blanket of Love Sanctuary!** This ministry provides prenatal and parenting education for young women, their spouses, and friends or families. The program creates a community of support through a welcoming meal, an educational presentation and time for sharing with members of the group.

Blanket of Love Sanctuary participants receive education and tips on prenatal care and strategies to improve the health of the mother and the baby. The program connects participants to other resources that can help lower stress, support wellness and eliminate the two most preventable causes of infant death in Milwaukee: premature births and unsafe sleeping environments.

The **Blanket of Love Sanctuary** is supported and planned by the Ascension Hospital System and meets once a month at churches in the Milwaukee area.
