Northwest Baptist Church is a **Blanket of Love** partner site! This ministry provides prenatal and parenting education for young women, their spouses, and families and friends. The ministry creates a community of support through a welcoming meal, an educational presentation and time for sharing with members of the group.

Blanket of Love participants receive education and tips on prenatal care and strategies to improve the health of the mother and the baby. The ministry connects participants to other resources that can help lower stress, support wellness and eliminate the two most preventable causes of infant death in Milwaukee: premature births and unsafe sleeping environments.

The Blanket of Love and Small Baby Sanctuary programs are supported and planned by the Ascension Hospital System and meet at churches in the Milwaukee area.
